Guidelines for Scripture Reader

- Please arrive about 5 minutes before the service is to begin.
- Check in with the Deacon of the Month when you arrive.
- The Pulpit Bible is the **New Revised Standard Version**. If you wish to read from another version, please check with the minister before Sunday.
- If you use the Pulpit Bible (the large Bible on the communion table), please return it to the communion table when you are finished reading to make room for the minister's notes on the pulpit.

Thank you for being a part of the leadership of our Sunday worship service!

The Board of Deacons
